- b) Tenders without this undertaking will be rejected.
- c) Logograms are exempted for consignment basis orders and instruments.
- d) Supplies without the said Logogram as mentioned above will be rejected and shall be deemed as violation of the contract.

18. QUALITY, TESTING AND INSPECTION

- a) Purchaser reserves the right to test each batch or batches selected at random of the consignment received either at the time of receiving the goods or at any time during the shelf life of the product for test and analysis at any laboratory approved under the Drugs and Cosmetic Act and Rules notwithstanding the routine sampling that may be carried out by the Drugs Control and Regulatory authorities. The actual cost of testing will be deducted by BMCRI- SSH for the above purpose from the respective manufacturers.
- b) If the sample or samples is / are declared to be “NOT OF STANDARD QUALITY” OR SPURIOUS OR ADULTERATED OR MISBRANDED, such batch / batches will be deemed to have been rejected. If the samples do not conform to the statutory standards, the contractor will be liable for relevant action under the existing laws including prosecution.
- i) In case, a batch tested declared as “Not of Standard Quality”, the Contractor shall supply a fresh stock of “Standard Quality” equivalent to the entire quantity of the batch supplied earlier, irrespective of the quantity available in stock, within 30 days from the date of receipt of such communication.
 - ii) The stock declared as “Not of Standard Quality” shall be destroyed by the purchaser after receipt of the fresh stock / 30 days and shall not be returned to the supplier under any circumstances.
 - iii) An amount equivalent to actual cost or as prescribed by the Pollution Control Board of the said batch supplied will be recovered from the Contractor towards the expenses for destruction and disposal of above class of drugs.
- c) The Drugs shall have the active ingredients as per the specifications throughout the shelf life period of the drug. The samples will be drawn periodically throughout the shelf life period for analysis.
- d) In the event of the Contractor failing to make good the rejected stocks, the security deposit furnished by the Contractor shall be forfeited and in respect of the remaining damages, action under the existing laws will be initiated to recover such loss and also will be blacklisted.
- e) In case fresh supplies are not delivered within 30 days as per clause b(1) above,

the purchaser shall be free to purchase the identical item from any other alternative source under Contract, if any or from the open market in the order of preference and recover the difference of cost from the Contractor.

- f) If any drug supplied by the contractor is partially or wholly used or consumed after supply and is subsequently found to be not as per specifications, inferior in quality or description or otherwise faulty or unfit for consumption, then the Drugs will be replaced by the contractor in addition to destruction of the remaining drugs as mentioned in clause b (i) & b(ii) above . If the payment for the supply has already been made for the particular batch / batches, then deduction will be made in the subsequent bills or by any other source.
- g) The Tenderer should clearly understand that the decision of the Special Officer or any Officer authorized by him as to the quality of the supplied drugs shall be final and binding.

19. PRE-SHIPMENT INSPECTION

- a) If required the purchaser or his representative shall have the right to inspect the manufacturing and storage premises of the Contractor to ascertain the standards maintained and take samples for test and analysis at approved laboratories prior to shipment.
- b) The person authorized to carry out such inspection shall produce the authorization letter issued by the Special Officer, BMC&RI SUPER SPECIALITY HOSPITAL (PMSSY) for the purpose.
- c) The Contractor shall notify the purchaser at least 10 days prior to the time, when the processing of items is available for inspection.
- d) The purchaser, if desires, shall complete such inspection and sampling within 7 days Thereafter with respect to product inspection.
- e) The goods shall not be shipped unless the purchaser communicates the clearance, whenever such inspections are conducted.
- f) Notwithstanding such inspection and clearance issued by the purchaser or the persons

authorized by him, the goods shall be accepted by the purchaser subject to verification at the destination.

20. NOT OF STANDARD QUALITY

- a. In the event of communication from Drug Control Authorities / Government authorized testing labs, that a batch of the consignment supplied is not of standard quality / spurious / adulterated / misbranded, the conditions stated in para 18(b) above shall be applicable, irrespective of the test reports received earlier and shall be binding on the contractor.
- b. In the event of contractor failing to make good the loss due to such rejection incurred by the purchaser, security deposit will be forfeited and action under existing laws to recover the loss will be initiated. The Contractor will be liable to be blacklisted besides recovering the loss.
